Program Information

Master of Public Policy (MPP)

The Master of Public Policy (MPP) program is designed to provide global perspective and professional expertise in public policy areas. The program is highly regarded both in and outside of Korea, particularly among developing nations and government officials.

The faculty with outstanding research backgrounds and empirical knowledge offers a leading curriculum that integrates theory and practice. Students are required to take one of the economic policy study areas, and may select additional study areas to cover 39 credits towards their graduation. The highly diverse student composition provides a unique educational environment.

Both domestic and international students from all walks of life, including the government, the media, and NGOs are able to share ideas, knowledge and experiences, and build a dynamic global network.

Academic Goals

- ◆ Expand policy makers' capability in policy planning, analysis and implementation
- ◆ Foster professionals in the field of economic and social policies

Study Area

- ◆ Finance and Macroeconomic Policy
- ◆ Trade and Industry Policy
- ◆ Public Finance and Social Policy
- ◆ Regional Development and Environment Policy

Master of Development Policy (MDP)

Based on the KDI's hands-on experience in development policy of over 50 years, the Master of Development Policy (MDP) program offers a curriculum where students can examine various issues of socio-economic development in both theoretical and practical frameworks.

The program is specifically targeted for international professionals, including government officials, development consultants, and regional specialists who wish to contribute to development policy-making. The program is also focused on fostering professionals in the field of Official Development Assistance (ODA).

Students must take the required core courses as well as a certain number of courses from Sustainable Development or International Development areas.

Academic Goals

- ◆ Build capacity in designing and implementing economic and social policies of developing countries
- ◆ Train professionals in the field of Official Development Assistance (ODA) and international development

Study Area

- ◆ Sustainable Development
- ◆ International Development

Master of Public Management (MPM)

The MPM seeks to fulfill policy management needs in today's global environment through an integrative education program that covers various facets of management and leadership in both public and private sectors.

The aim of the program is to nurture professionals who can successfully navigate and manage the complexities of global and private policy environments, make preemptive decisions to deal with the challenges, and have the capacity to put them into action.

Academic Goals

- ◆ Improve comprehensive problem solving skills in public administration and management, with the help of reinforced understanding of global and private policy environment
- ◆ Foster high-quality public workforce capable of policy design and execution

Study Area

Master in Intellectual Property and Development Policy (MIPD)

The MIPD is a unique program focuses on the links between IP and development. The collaboration between WIPO, the Government of Korea through KIPO and KDI School ensures students will acquire development studies.

The program will provide students with the in-depth knowledge, expertise and practical know-how to operate as IP policy makers for development and thought leaders in the public and private sector.

Academic Goals

- ◆ Acquire broader and deeper knowledge of the principles and sources of international intellectual property law and understanding of how these are changing as a result of globalization.
- ◆ Understand the framework for analyzing policy making for economic growth and sustainable development
- ◆ Appreciate the role of IP as a tool for development
- ◆ Develop the capacity to evaluate and examine various implications of IP laws and policy for socio-economic development
- ◆ Obtain a global perspective and professional expertise in IP and Policy Development
- ◆ Demonstrate the capacity to write a research paper on IP and development issues satisfying the requirements of objectivity, structure, analytical reasoning and independence

Program Information

Ph.D in Public Policy (PP) / Ph.D in Development Policy (DP)

The KDI School offers **Ph.D. in Public Policy degree** and **Ph.D. in Development Policy degree**.

The goal of the Ph.D. program is to prepare qualified candidates to produce cutting-edge research in their chosen field and to equip them with the skills they need to ascend to leadership positions in the public or private sector.

Curriculum Tailored to Your Research Topic

The KDI School encourages Ph.D. students to take the initiative in shaping their own course of study, once they complete the required courses during the first 1~2 years.

Faculty Involvement

The KDI School also encourages Ph.D. students to collaborate with the faculty on research projects. Along with an emphasis on supervised research courses, the KDI School provides an environment where students work closely with professors.

Expected Target Students

The KDI School selects individuals with demonstrated potential for research. Applicants are also expected to have a research topic firmly in hand.

IX. Video Essay (Optional)

Overall Process

- ◆ If you decide to submit a video essay, please prepare a one-minute-long video by answering the following question: **“What do you do? And how do you think KDI School education will change what you do?”**
- ◆ It is the applicant’s responsibility to correctly configure the security and access settings for the video. We suggest using YouTube channel with the “Unlisted Video” setting so that only individuals who have the URL can view it.
- ◆ The applicant is also responsible for adhering to the terms and conditions of the website used to share the video essay.
- ◆ We are unable to watch videos that come in any form other than a URL link. We will not accept videos sent by email or on DVD through the mail.
- ◆ Please limit your video to **maximum 1 minute**. Those exceeding 1 minute may not be evaluated.
