**Phone**: (+82) 010-5495-6995
**Citizenship**: Korea, Republic of

## Research interests

forest policy, community-based resources management, deforestation economics, carbon market, spatial analysis

## Education

**KDI School of Public Policy and Management** — Sejong, Korea
PhD in Public Policy — Feb. 2022 – Present
Advisor: Professor Lim, Wonhyuk

**KDI School of Public Policy and Management** — Sejong, Korea
MA in Development Policy — Feb. 2016 – Dec. 2020
Advisor: Professor Kim, Dongseok

**Seoul National University** — Seoul, Korea
MSc in Forest Environmental Science — Mar. 2009 – Feb. 2011
Advisor: Professor Lee, Don Koo

**Seoul National University** — Seoul, Korea
BSc in Agr. and Life Sciences, minor in Bio. Science — Feb. 2004 – Mar. 2009
Advisor: Professor Lee, Don Koo

## Honors and scholarships

Competitive Research Fellowship (KDI School) – Third Place Award — 2023
Scholarship of Academic Excellence (KDI School) — 2022-2024
Scholarship of Academic Excellence (KDI School) — 2016

## Research experience

**Development of site selection model for electric vehicle charging stations in Korea**
Mentor: Professor Kim, Yeongjae (KDI School) — Feb. 2023 – May. 2023
Providing assistance in reviewing the relevant literature, developing research grant proposal, and collecting and cleansing relevant datasets.

**Population Policy Lab**
Mentor: Professor Choi, Seulki (KDI School) — Aug. 2023 – Sep. 2023
Conducted case studies on successful cooperative initiatives in Korea and drew policy implications how to enhance their roles in mitigating rural decline; provided assistance to data pre-processing and analysis for population projection of depopulation regions in Korea. →

**Directions and challenges in forest policy formulation from a multi-level governance perspective**
PI: Dr. Koo, Jachoon (Korea Rural Economic Institute) Jan. 2023 – Oct. 2023
Case analysis of Social Forestry policy and its implementation in perspectives of multi-level governance [more]

**Development of guidelines for payment for conservation of forest public values**
PI: Dr. Koo, Jachoon (Korea Rural Economic Institute) Apr. 2022 – Dec. 2022
Case studies on payment for ecosystem service (PES) policies in Korea, U.K., Finland, Austria, and EU [more]

**Strategies and Tasks of Cooperative Forest Policy in Response to Decentralization**
PI: Dr. Koo, Jachoon (Korea Rural Economic Institute) Jan. 2022 – Oct. 2022
Studies on best policy cases of differentiated decentralization in U.S., U.K., and Nordic countries [more]

## Teaching experience

**Teaching Assistant, KDI School (Sejong, Korea)** Summer 2024
Quantitative Analysis with Data (by Professor Baek, Jisun)

**Teaching Assistant, The 10th KOSTAT-UNFPA Summer Seminar on Population (Seoul, Korea)** Aug. 2023
Workshop 2: Standardization and Decomposition, using R (Dr. Vladimir Canudas-Romo, Professor at Australian National University

**Teaching Assistant, KDI School (Sejong, Korea)** Spring 2023
Quantitative Methods (by Professor Kim, Dongseok)
Statistics with Adaptive Learning (by Professor Kim, Dongseok)

## Professional experience

**Asian Forest Cooperation Organization (AFoCO)** Seoul, Korea
Program Officer for Planning and Coordination Sep.2012 - Jan. 2022

**National Instrumentation Center for Environmental Management, Seoul National University (SNU)** Seoul, Korea
Researcher, International Environmental Cooperation Aug. 2011 - Sep. 2012

**Research Institute for Agriculture and Life Science, SNU** Seoul, Korea
Researcher Mar. 2011 - Aug. 2011

## Skills

**Programming**: R, Stata, Python, LaTex, ArcGIS, QGIS, Google Earth Engine

**Languages**: English (Advanced), Korean (Native), Japanese (Beginner), Russian (Beginner), Chinese (Beginner), Bahasa Indonesia (Beginner)
