Global Leadership Program

Overview of the Program

The G20 Global Leadership Program was launched after Korea's hosting of the G20 Leaders Summit in 2010. The program aims to bring together experienced managers and stakeholders from various ministries and government agencies who are dedicated to advancing G20 development goals.

The objective of the program is to enhance the participant's ability to contribute to economic growth and to drive momentum to realize the actual change in one's country. Participation in the program is basically free of charge and all eligible persons may apply.
